

How do I find my videos?

(This is written assuming you are the uploader, and did not receive an email)

1. Log in to jmu.njvid.net
2. Navigate to **Admin dashboard**, then click **Media** in the left menu.

A listing will appear of all media to which you have backend access:

The screenshot shows a web interface for managing media. At the top, there is a breadcrumb 'Home > Media' and a title 'Media'. Below the title are buttons for '+ Add Media', 'Templates', a search input field, and a 'Search' button. A status bar indicates 'Showing 1 to 25 of total 382 media' and includes 'Filter', 'Sort by', and 'Export' options. The main content is a table with the following columns: 'Media Title', 'Date Added', and 'Share'. Each row represents a media item and includes a checkbox, a title with a video icon, a status (e.g., 'This media is private' or 'Shared with institution'), a creator name and email, and a date added. The items listed are: 'Presentation2', 'Doctoral recital of Chyh Shen Low, piano', 'testvid', 'testvid', 'testvid3', 'centralstation_dvd65', and 'pixote_dvd8012'.
